Dear Sir:

REMARKS

The errors in the printing of the patent for which correction is requested, are attributed solely to the Office, and it is believed that no fee is needed to issue the Certificate of Correction. In particular, the Issue Fee Transmittal filed by First Class Mail on September 4, 2003 contained the correct name of the attorney, mainly "Thomas J. Kowalski".

It is clear that the requested change does not constitute new matter and this application does not require re-examination.

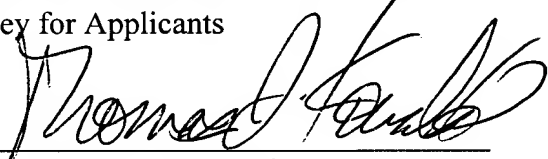

It is also respectfully requested that to any extent possible, this correction be made on the PTO website, as to the electronic (non-image) version of the patent, as "attorney or agent" is a search field.

If there are any additional fees incurred by reason of the above-mentioned correction, please charge such additional fees to Deposit Account No. 50-0320.

Respectfully submitted,

FROMMER LAWRENCE & HAUG LLP
Attorney for Applicants
